SUNDOG RAFF (Fantasy) I've been a fan of Lunar, Lost Odyssey, and Baldur's Gate games since their release and now.... I can't wait to play this game. :) That said... If you think you know what I am talking about... you're wrong. Anyway... when will this game be released? I hope it's soon. Thank you =)

I have never before been to a place where, for the great distances of land, there are still places full of life. From the moment I entered this Ruins, my sibling seemed to believe this was the End. But it isn't the End. At first, I took it as a waste of time to hold a funeral... . . .
