HEY GUYS! We are the triad group that created the world of Planescape: Torment, as well as the TIDES OF NUMEN and LoTR titles. We are presenting you the completely original fantasy RPG, ELDEN RING. The Fantasy RPG featuring a traditional combat system, deep characters, and a story with twists and a tale that will keep you hooked. We've poured all of our hearts into the game, and we hope that it will be received well by you. \*Story\* The story revolves around the Lands Between. This is a world like no other, a place in which the protagonist, Lenna, descends from the heavens, only to find herself in a world in which the history of the world is recorded in a book. You become a floating soul in a dead world, and the only thing that has any meaning is the key that she is carrying on her back. The protagonist has the power to read the pages of the book, and can use this power to travel from world to world. Discovering these pages, you try to find out what is the reason behind this world, and why it was created. \*Combat\* Unlike a traditional RPG, in which battles are usually turn-based, in ELDEN RING, you will always have an attack option. You don't have to make a decision about whether to use a spell or a sword until you are given the opportunity to use a certain attack. Take part in a battle with lightning speed as you are constantly in motion. Dodge attacks, stun your opponents and attack more enemies with ease. \*Character Crafting\* Like in Planescape, you can combine all of the unique items that the characters find in the world to develop your own skills and abilities. You can develop the arts of the hands, such as cooking, sewing, and blacksmithing, and also develop the arts of the eyes, such as astronomy and optometry. And, you can also develop the arts of the magic, such as wizardry, summon magic, and augury. Also, be prepared as some of the items that you can combine have special effects that cannot be obtained elsewhere. \*Multiplayer\* You can even link up with other players via the internet and decide to play together. -Battle and communication function. In the event that you win a battle, you will be
