Friday the 13th: Killer Puzzle (Think GeoCities meets the popular website “Rotten.com” in this cyberpunk game with 1646 levels) is a grand challenge worthy of all the best traps. Put on your special survival gear and get set to face a zombie troll and his troll offspring. Their onslaught of minions is a sight to see. You are not alone in this killer puzzle either. Your friend and trusted Sidekick is beside you. Collect bugs and weapons, face rampaging zombie trolls and troll offspring and trigger traps to finish these little brats, once and for all! Choose from a selection of weapons, which range from the traditional knife to the ever popular revolver with its impressive firepower. You've never played a game like this before. Fight into the sunset and dont die too badly. **As of 2014, the developer has decided to close its doors.**
