. He was considered one of the most important Brazilian composers and performers of his day, with a melodic style and a rich harmonic vocabulary that represented a culmination of previous trends in the country. . . (descargar Discografia Asfalto Mediafire 186). Well, that is the soul of the man, getting to the heart of his compositions and showing us a distinct human side to his work, one that not many composers have. Among the elements that distinguish his style are the intensity, the drama and the passion with which he lives his music. One can only listen to his CD's and explore his compilations and see how they are the essence of his music and life, of this madman who has dared to put his soul and his heart behind his music. It is no wonder that his music has such a wide audience and that his music has kept growing even after more than half a century of his composing life. The reason of this continuing popularity is the same as that with which he began his career a long time ago, when he was a well-known folk singer in his home country, Brazil. He was considered one of the most important Brazilian composers and performers of his day, with a melodic style and a rich harmonic vocabulary that represented a culmination of previous trends in the country. . . (See, e.g., Kiefer et al., Cancer Epidemiology Biomarkers & Prevention, 2004 16:819-23, which is incorporated by reference herein in its entirety.) These epidemiological studies have been complemented by those examining the direct role of obesity on cancer onset. For example, the multidisciplinary Tufts University Cancer Center Obesity, Physical Activity, and Cancer Feasibility Study found that substantial weight loss (a median weight loss of 20 kg) in obese cancer patients was associated with enhanced anti-tumor activity of certain chemotherapies and radiation.
